EARLY LEARNING CENTER

The YMCA Early Learning Center utilizes The Creative Curriculum®, a developmentally appropriate, comprehensive curriculum that promotes positive outcomes for children. This research-based approach to teaching is centered around exploration and discovery as a way of learning, enabling preschool children to develop confidence, creativity, and lifelong critical thinking skills while offering younger children an environment and experiences that are nurturing, responsive and intentional.

Ages 3 months - 4 years

7:30 am-6:00 pm

SCHOOL AGE CHILD CARE BLOOMFIELD . MONTCLAIR . VERONA

The YMCA of Montclair School Age Child Care Program is designed to provide care for children while parents are working. This program focuses on building self confidence and character. We emphasize the Y's four core values in character development — caring, honesty, respect, and responsibility – in every activity and interaction. When children enter one of our state licensed Y SACC Programs, a world of growth opens up to them in a safe, fun and enriching environment. In addition to supplementing what they learned in school, they have the opportunity to participate in a variety of structured activities, get assistance with their homework from trained YMCA staff, have a chance to socialize with their peers and form new relationships. We also see the importance of giving them some time to participate in staff supervised free play, which is vital for their development, growth, and self-confidence.

PRESCHOOL READINESS

Our Preschool Readiness Program prepares your child for Preschool and continued learning. The YMCA's Preschool Readiness Program provides a stimulating environment for children ages 2-4 to play and learn while developing the physical, verbal, and social skills they'll need to start school ready to succeed. Each class consists of developmentally appropriate activities based upon class age. These activities include process art, hands-on science, small motor and gross motor skill building, interactive circle time, and much more.

Ages 2 - 4 years

STAYCATION

When school is closed, the YMCA of Montclair is open. Working parents can register their children Pre-K through 8th grade in the Staycation program. Your child will enjoy a variety of activities which may include games, art, reading, and indoor & outdoor play.

Grades PreK - 8
