Early Learning Center FAQ

Is there a spot available for my child?

We are currently on a waitlist for all classes. Our program runs from September to August with most new participants enrolling in September, if spots become available. If a spot becomes available throughout the year, our director will contact those on the waitlist according to the order they are receive for each individual age group.

How do I get my child on the waitlist?

Once you complete the inquiry form, our director will contact you via email normally within 3 weeks' time or shorter. Once you provide your child's name and d.o.b. and your contact information your child will be automatically added to our waitlist, there is no needed to follow up as our director will contact you if a spot becomes available. Due to the large number of inquiries, we ask that you please wait for us to contact you about availability once on our waitlist.

Can I schedule a tour?

Tours are scheduled once a spot is available for your child as we try to limit the number of visitors in and out of our classrooms for safety. We host an open house every winter for prospective families and will email families on the waitlist with this information closer to the event date.

Do you offer part-time care?

Our program is a full enrollment, 5 days a week. We do not offer a part-time option.

Do you offer financial assistance?

We do offer financial assistance and once a spot is available for your child you will be instructed on how to apply if assistance is needed.

Is tuition weekly, monthly, or yearly?

Any tuition information given is based on per month costs.
