

Learning Enrichment Community

A Full-Day School-Age Child Care Program

The YMCA of Montclair offers in-person support to help families with 5-day all remote or 3-day hybrid remote school requirements and provide a safe space for kids.

Our trained and certified staff will facilitate online learning during remote school hours. Students must bring their laptop/tablet, virtual learning schedule, and login/password. Students will also engage in enrichment activities such as STEAM, Healthy U, CATCH, sports, and outdoor play.

As a state-licensed program, your child's health and safety is our top priority. We work closely with our local health department to meet CDC COVID-19 guidelines. The Y has successfully supported families since March by providing emergency childcare and summer day camp.

Our program begins on the first day of school after Labor Day and will continue until school districts can reopen fully. Space is limited.

A \$50 registration fee will be charged automatically after enrollment. This fee is waived for current YMCA of Montclair Family Members.
