ANNUAL CAMPAIGN

One in six students in the YMCA of Montclair School Age Child Care Program receives financial assistance through the Y scholarship program (\$20,000 per month). GENERAL INFORMATION

The YMCA of Montclair School Age Child Care Program is designed to provide care for children while parents are working. This program focuses on building self-confidence and character. We emphasize the Y's four core values in character development — **caring, honesty, respect, and responsibility** — in every activity and interaction.

When children enter one of our state-licensed Y SACC Programs, a world of growth opens up to them in a safe, fun, and enriching environment. In addition to supplementing what they learned in school, they have the opportunity to participate in a variety of structured activities, get assistance with their homework from trained YMCA staff, have a chance to socialize with their peers and form new relationships. We also see an importance of giving them some time to participate in staff-supervised free play, which is vital for their development, growth, and self-confidence.

Our goals are:

- To provide a warm, caring, and safe environment under the guidance of an experienced staff.
- To provide each child the opportunity to develop their self confidence and social skills.
- To provide developmentally appropriate activities that stimulate creativity and encourage learning, through fun and discovery.

PROGRAM ACTIVITIES

The YMCA of Montclair School Age Child Care Program follows the standards of the National YMCA School Age Care Curriculum.

The core components include:

- STEM
- Arts & Crafts
- Character Development
- Homework Assistance
- Enrichment Programs
- Sports & Games
- Fitness and more!

FAMILY HANDBOOK

A parent handbook, program policies, and payment schedules can be downloaded at montclairymca.org.

PAYMENT POLICY

All payments are automatically drafted on the first of each month from the account entered at the time of registration.

There is a \$20 failed draft charge imposed by the credit card processor.

The School Age Child Care tuition fees are based on the number of school days, broken down to ten equal monthly installments for your convenience. The fee is not based on the number of calendar days per month, and no prorating of fees is allowed. The only exception is if beginning the month of October you enroll after the 15th of the month.

It is our policy that monthly tuition is paid in full. We do not prorate for absences or by the hour. If needed, children can withdraw for one or more months at a time. Changes or withdrawals to your child's schedule, must be submitted in writing by the 15th of the month prior to the change taking place.

STAYCATION

Working parents can register their children Kindergarten through 8th grade in the Staycation program. Your child will enjoy a variety of activities which may include games, art, reading, swimming, STEM, cooking/nutrition, and indoor & outdoor play.
