Y SWIM LESSON PROGRAM – AT PARK STREET AND GEYER FAMILY YMCA

We offer the National YMCA Swim Lesson Curriculum year-round for swimmers of all ages and skill levels. YMCA swim lessons emphasize water safety, skill, and stroke development. In stages 1–3 students learn personal water safety and achieve basic swimming competency by learning two benchmark skills —swim, float, swim and jump, push, turn, grab.

Having mastered the fundamentals, students in stages 4–6, learn additional water safety skills and build stroke technique. YMCA swim lessons follow the National YMCA’s child-to-instructor ratio to ensure plenty of time in the water. We strive to foster a student-centered and caring atmosphere with well-trained professionals.
