Private/Semi-Private Lesson Information

- YMCA of Montclair membership is required for private/semi-private lessons enrollment
- Full payment is required prior to the start of the first lesson; lesson must be scheduled to make a payment
- Private/semi-private lessons are not eligible for financial assistance
- Lessons are scheduled as 30min sessions in packages of 3 or 6 lessons (45min sessions can be scheduled but depends on pool space and instructor availability). Recommendation of 30 minute lessons for beginner preschool and school age lessons.
- **Semi-Private Lessons:** we do not provide students, both participants must pay and sign up at the same time. Semi-private lessons should have similar swim stage. If one semi participant comes and takes a lesson – then the lesson is counted towards the package for both participants. The absent participant does not receive a makeup lesson.
- **Master Level Instructors:** work solely with adults training for triathlons, perfecting technique, training for a certification or special test, and for swim team members. Master Instructors will recommend whether lesson should be 30min or 45min depending on the goal.
