Prices as of May 2026

The Y is now offering summer weekend memberships from July 4 through September 6 at the YMCA Outdoor Education Center, a hidden gem on 32 private acres with a spring-fed lake in West Milford, NJ.

Since 1970, the Outdoor Education Center, operated by the YMCA of Montclair, has been a place for summer camp, family recreation, and outdoor exploration.

This summer enjoy a private getaway for swimming, kayaking, picnicking, fishing, hiking, and family fun.

The property is open from 9am – 5pm, making it a perfect day trip destination where summer memories are made.

Our staff includes American Red Cross certified lifeguards; CPR/First Aid and Outdoor Wilderness First Aid certified staff.
