MONTCLAIR**

## **FIND YOUR AFTERSCHOOL CREW**

**SCHOOL AGE CHILD CARE**

Good afternoon,

Thank you for choosing the YMCA of Montclair School Age Child Care (SACC) Program.

When you registered, a confirmation email was sent to you, which included our [\*\*Policy Handbook\*\*](#). Please become familiar with those policies and below are a few reminders from the handbook.

- A typical day starts with attendance, followed by a snack which we provide and homework assistance. Planned activities such as sports and games, outdoor play, arts and crafts, S.T.E.M. and enrichment are also offered during the program. The Site Supervisor is responsible for overseeing all aspects of the daily program. If you have any questions or concerns, please speak to the Site Supervisor. Please note: All children must be potty trained to attend the SACC program, as our staff is not permitted to diaper or change children.
- The school will have our aftercare rosters so that they are aware which students are scheduled for the program. You should also let your child's teacher know their aftercare schedule. At dismissal, the students will be sent or walked down to our aftercare base location, where the YMCA staff will be waiting to receive them.
- If your child is going to be absent from the program on a regularly scheduled day, you are required to leave a VOICE MESSAGE/TEXT ON THE SITE PHONE BEFORE 12:00PM OF THE DAY. If your child is scheduled and does not arrive, the program staff must make all attempts to locate your child, which causes unnecessary stress at the beginning of the program. Parent communication is essential for your child's safety.

- Medication/Care Plan information: If your child has an allergy or medication (EpiPen, Benadryl, inhaler, etc), the Y must have these items at the YMCA site on the first day of school for your child to attend. Please note, without the proper medication (not expired), and care plan, the child will be sent back to the office for immediate pick up. It is mandatory that the YMCA be provided with these items. The Y does not have access to medications you provided to your school.
- We are a nut aware environment, and we ask that you to refrain from sending your child with any foods that contain nuts.
- It is your responsibility to sign your child into the Before Care Program and to sign your child out from the After School Program at the end of each day at pick up. ID is required for the release of your child.
- Schedule changes / Cancellation of the program: All scheduled changes and withdrawals from the program MUST be requested in writing through the Extended Care Billing Office and received by the 15th of the month prior or you will be responsible for the next month's tuition. These can be made Shirley Farquharson, SACC Billing Coordinator Phone: 973-415-6106 Email: [sfarquharson@montclairymca.org](mailto:sfarquharson@montclairymca.org)
- All payments are due by the 1st of each month. Payments received after the 1st of the month are subject to a \$10.00 late fee per child. All payments are automatically drafted on the first of each month from the account entered at the time of registration. It is our policy that monthly tuition is paid in full. If your account becomes more than 30 days past due, your child will be removed from the program. The spot will not be held.
- If you receive Programs for Parents funds, you must have an active agreement stating the YMCA of Montclair as your provider to begin the program.
- Tuition for all school months is equal, we do not prorate for days when schools are closed, missed days, or for the last month of school. If needed, children can be withdrawn for one or more months at a time. If a child is withdrawn, and that program has a wait list, the child WILL lose their spot. We do not hold spaces under any circumstances. Withdrawal requests must be submitted at least 10 days prior to the month that you are looking to withdraw.
- Site Contact Information-Phones will be on 15 minutes prior to program start time until the last child leaves.
